

3xLOGIC DEMO DAYS

Covering VIGIL CLOUD™

Thursdays, 1-2pm ET
STARTING May 20th

Global Sales Support Manager

Erron Spalsbury, 3xLOGIC's Global Sales Support Manager to host weekly VIGIL CLOUD demo sessions for Dealers to get up-close and personal with our VIGIL CLOUD solution, ask technical questions of the product team and learn about new features and enhancements!

What to expect...

» Core Overview: Basic Functionality

Customer Portal & Dealer Portal / Use Cases

» New Product Features & Enhancements

- Advanced Camera Settings (Two ways: Dealer Portal/Dealer logged into Customer Account)
- Bandwidth and Network Troubleshooting
- Local Storage S.M.A.R.T. (Dealer logged in as customer: Camera Info/Playback)
- And even more to come ...

» Q&A Session
