VX-6M-360- IAW-C128/C256, 360 Fisheye Camera

This 360° IP camera provides affordable, high-definition 100% coverage with the ability to digitally pan, tilt and zoom (PTZ) to any location.

What problem are we trying to solve with this product?

Companies are after an affordable 360° high-definition IP camera that has the ability to digitally pan, tilt and zoom (PTZ) to any location in low or no light environments. The VX-6M-360-IAW 360 Fisheye Camera does this perfectly.

Who has this problem?

Customers that need more coverage than a standard IP camera field of view offers. The VX-6M-360-IAW takes the place of up to four standard IP cameras and allows the customer to digitally pan, tilt, and zoom to any field of interest within the warped image.

Why should dealers want to sell a solution with this product?

Integrators are being asked for an affordable camera that is suitable for most applications. The VX-6M-360-IAW fits the bill.

Maximum Performance

With 6MP resolution, you can be rest assured you will receive extremely sharp and detailed footage. The superior point-to-point hardware compression and decompression allows for maximum performance of streamed live video.

Panoramic De-warping

3xLOGIC Panoramic De-warping Software allows users to achieve real-time viewing of an entire scene from a single camera. Users can simultaneously view a panoramic 360° image as well as three distortion-corrected images on individual subset screens each supporting full-function digital PTZ capabilities. The flush-mount format allows for easy and secure installation in a wide variety of indoor applications.

Feature Rich

The VX-6M-360-IAW is packed with features you might need for nearly any application including: motion detection, and 120dB WDR. In addition, this camera is designed to continue functioning at top performance at temperatures as low as -30°C (-22°F) and as high as 50°C (122°F) allowing a wide range of applications

Use Cases

- » Retail
- » Warehouse and Distribution
- » Education

Key Features

- » Lens: 1.55mm @F2.5
- » Megapixel (Fisheye / Dewarped): 6MP
- » 360° Field of View
- » Infrared (Low-Light/No-Light)
- » H.264 Compression
- » IK9 Impact / IP66 Weather Resistance
- » 256GB Max. MicroSD Local Storage
- » Wide Dynamic Range (WDR)
