

Product Summary VISIX<sup>™</sup> Solution VX-20M-SURROUND-OD-RAW

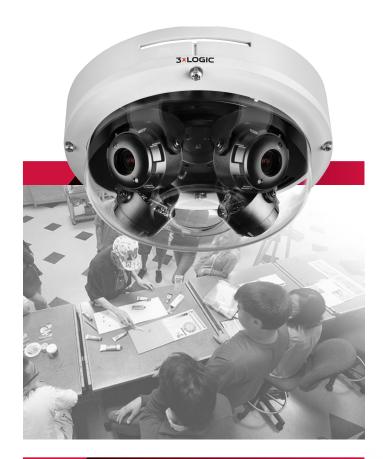

# VISIX 20MP (4x5MP) Vari-Focal Multi Imager Surround View IP Camera w/ WDR and 4 x 2.8mm-8mm Zoom

This 20MP (4x 5MP) Surround-view IP camera provides high-definition coverage with four independent lenses capable of manual adjustment for pan/tilt and remote zoom functionality. Each independent lens can be positioned to cover virtually any security footprint. Additional coverage can be gained by center positioning a lens. This can be particularly effective in corner mount use cases where not only side views are needed but also directly below. Displaying up to 2592x1944 pixels per lens, this vandal-resistant network dome camera is designed to integrate seamlessly with the full family of VIGIL<sup>™</sup> Video Management System (VMS) software modules.

When coupled with the VIGIL<sup>™</sup> Series of Network Video Recorders (NVR) and Video Management System (VMS) software, superior point-to-point hardware compression and decompression allows for maximum performance of streamed live video providing better video quality, more concurrent streams and a lower overall hit to CPU performance. Combined with VIGIL Server's Substream Motion Detection and RapidStream technologies, the camera's video can be viewed remotely in both live and playback modes with minimal impact on your network.

## VISIX<sup>™</sup> Solution | VX-20M-SURROUND-OD-RAW

#### Camera

Image Sensor:	SONY STARVIS EXMOR 1/2.8" 5M CMOS x4
Lens	2.8mm~8mm, F1.6
Motorized?	Yes
Angle of View	D : 64°~119° H :51°~93° V : 39°~68°
Min Illum	0.1Lux, (B/W)0.05Lux (F1.6)
Pan / Tilt / Zoom	Z: x3 Optical
Shutter Time	Auto / Manual: 1/30 ~ 1/32,000, Anti-Flicker, Slow
	Shutter (1/2,1/3,1/5,1/6,1/7.5,1/10)
Day/Night	TDN (True Day & Night)
WDR	120dB or above

### **Compression Standard**

H.264, H.265, MJPEG Video Compression Bit Rate 100Kbps ~ 10Mbps 2592x1944p30+480p30 Video Streams

#### Image

Max Image Resolution Frame Rate

2592 x1944 per sensor (20MP total) 30fps

### **Functions**

Alarm Triggers	Motion Alarm, Temperature critical, DI
Base Analytics	Tamper Detection, Presence Filters (Advanced Motion), Object Tracker
Storage	4 x microSD / microSDHC / micro SDXC (not
	included)
Security	HTTPS(SSL), IP filtering, 802.1x, Digest Authet-
	ication
Protocols	Pv4,TCP/IP, UDP, AutoIP, RTP(UDP/TCP), RTSP,
	NTP, HTTP, HTTPS, SSL, DNS, DDNS, DHCP,
	FTP, SMTP, ICMP, SNMPv1/v2/v3(MIB-2), ONVIF
System Compatibility	CGI API, ONVIF (Profile S)
